

## CLONE 49

2022 RIESLING, OKANAGAN VALLEY BC VQA

Our Distinction Collection offers enthusiasts handcrafted, experimental wines that fine-tune combinations of varieties, clones, rootstocks and winemaking techniques. Like the pattern of a quail's egg of which no two are alike, each batch of wine is unique and bottled in small lots.

Our Clone 49 Riesling reflects an emerging South Kelowna microclimate that elegantly showcases this Alsatian clone. The cool, quartz-laced vineyard site features ancient alluvial melt, sandy loam and a gentle western aspect. This Riesling is especially floral when compared to German clones that are mostly developed from Geisenheim. With crop management for the high-end Riesling, we can produce wines with rounder concentration, racy acidity and beautiful flinty, floral and fruity aromatics.

CLONE 49

VINEYARD | Fipke Vineyard  
EAST KELOWNA

BLOCKS | F1B1; 2; 4  
6.2 ACRES

PLANTED | 2008  
14 YEARS OLD

SOIL | Sandy Loam

ELEVATION | 425m

FARMING | Certified sustainable vineyards  
SUSTAINABLE WINEGROWING BRITISH COLUMBIA

WINEMAKING

Hand-harvested in October, this 100% Riesling was whole-cluster pressed, free-run separated and then fermented in 50% stainless steel and 50% neutral oak. Tanks were carefully arrested at the optimal sweetness level. Portions were blended with battonage on the barrel portion to build texture and concentration.

ALCOHOL: 12.5%  
RESIDUAL SUGAR: 8.4 g/L

pH: 2.79  
ACIDITY: 10.95 g/L

TASTING

Electricity is the hallmark of this vintage. Featured at the forefront are explosive aromatics of green apple and white-flower. The vibrant nature of this wine guarantees a racy acidity, an outstanding finish and a promise of another pour.

PAIRING

This wine is the perfect pairing for any Southeast Asian inspired cuisine including coconut rice and curry chicken or alongside mashed yam and pork tenderloin.

Made in limited quantities.

Enjoy now through 2033.
