

# QUAILS' GATE 2019 RIESLING ICEWINE

## STORY.....

A true Canadian treasure, Icewine can only be produced when the temperatures plunge below - 8°C (17.6°F) and the grapes naturally freeze on the vine. The resulting juice is lusciously sweet and balanced, with the vibrant acidity that BC wines are known for.

## WINEMAKING.....

Our small lot production of Icewine was hand harvested overnight at - 10°C on November 29, 2019. Naturally frozen whole clusters were pressed prior to being fermented in stainless steel.

## TASTING NOTES.....

Bright aromas of peach and mango with honeycomb, dates and fragrances of floral and almond on the nose. A decadently sweet palate of peaches and honey balanced with lively acidity and a mouthwatering finish.

## PERFECT PAIRINGS.....

Serve well chilled with fruit tarts, cheesecake, crème brûlée or a salty blue cheese.
