

QUAILS' GATE  
*Okanagan Valley*

## 2021 CHASSELAS - PINOT GRIS - PINOT BLANC

### STORY

In 1961, the Stewarts planted on the Quails' Gate Estate their first shipment of *Vitis Vinifera* Chasselas. These vines, of Swiss origin, produced beautiful fruit perfectly suited to the local climate - and were the introduction of one of the most iconic wines at Quails' Gate. This white blend is made in a fresh, fruit-forward style to complement long summer days. We are proud to share that our Chasselas is the #1 selling BC VQA white blend in British Columbia.

### WINEMAKING

The three grapes that make up this blend are hand-harvested and cold-fermented in separate stainless-steel tanks to enhance their aromatic and intensely fruity characteristics. Our winemaking team has carefully blended the perfect balance of Chasselas, Pinot Gris and Pinot Blanc for the 2021 blend that now finds its way into your glass.

### TASTING NOTES

This popular and easy drinking wine is bright and fruity with light minerality and balanced acid. On the nose expect fruity aromas of lemon, pear and honeydew with floral notes of orchard blossom. The bouquet develops depth complemented by refreshing balance on the palate brimming with citrus and melon flavours.

### PERFECT PAIRINGS

Best enjoyed chilled with seared or grilled seafood (we suggest BC spot prawns), white meats with white sauces, grilled vegetable dishes and mild cheeses such as Brie or Camembert.

### TECHNICAL NOTES

Alc by volume: 12.5%

Total acidity: 6.7 g/L

Residual sugar: 1.8 g/L

pH: 3.3

SKU: 585737

UPC: 778856120059

Date bottled: December 2021

Cellaring notes: Ready to drink now.
