

QUAILS' GATE

Okanagan Valley

2021 ROSÉ

STORY

At Quails' Gate we think Rosé should be enjoyable and fun to drink. Made in a versatile dry style, the 2021 vintage is fresh and fruit-forward, with enough balance and depth to intrigue a true connoisseur. A classic, easy-drinking summer sipper that delivers exceptional flavour and value.

WINEMAKING

The 2021 vintage is made using a combination of Gamay and Pinot Noir grapes. After harvest, the grapes received four hours of skin contact for colour and flavour before being pressed off. Each varietal was fermented separately in stainless steel at cool temperatures before being expertly blended by our winemaking team.

TASTING NOTES

The 2021 vintage opens with fresh fruit aromas of watermelon, raspberry, guava and passionfruit. On the palate, this wine is light, fruity and satisfying from the approachable entry to the refreshing, crisp finish.

PERFECT PAIRINGS

Nothing pairs with Rosé like dining al fresco. Perfect for sharing on the patio, at a picnic or poolside, this wine reflects a hint of summer even when the weather keeps you inside and looking out. Pair with fresh, seasonal, high-quality ingredients prepared simply: pizza, Caprese salad, melon and prosciutto, or spinach and strawberry salad.
