

QUAILS' GATE  
*Okanagan Valley*

2020 RESERVE  
OLD VINES FOCH

Planted more than 50 years ago by Richard Stewart Jr., our mature Maréchal Foch vines allowed us to create one of the first robust reds in the Okanagan in 1990. Ever since, this complex wine with a profound intensity has gathered a loyal following due to its unique varietal history.

**WINEMAKING**

This 100% Estate Maréchal Foch was hand sorted and gently destemmed prior to undergoing a five-day cold soak period. After fermentation, the wine was pressed and aged for 18 months in a mixture of carefully selected neutral and new American oak.

**TASTING NOTES**

This medium-bodied wine displays fragrant aromas of black cherry, plum, coffee and vanilla, with soft tannins and dark fruit on the palate.

**PERFECT PAIRINGS**

This wine would be best enjoyed alongside barbecued seasoned steaks with sautéed mushrooms or perhaps a shareable charcuterie featuring smoked meats and soft cheeses.
