

## GEWÜRZTRAMINER | 2022

OKANAGAN VALLEY BC VQA

Charming, approachable and food-friendly, Quails' Gate Gewürztraminer is one of the most fruit-forward wines in our portfolio. The aromatic and pink-skinned grape grows well in British Columbia and is the third most planted white grape in the region.

### TASTING

Floral and ginger notes are immediately evident on the nose accompanied by hints of pear, guava and nectarine. Expect a round and rich entry followed by a spicy, long lingering finish.

### PAIRING

Perfect on its own as a patio sipper or pair with roasted or grilled white meats with fruit sauces and chutneys or alongside spiced chickpea falafel.
