## Quails' Gate Chardonnay

*Uncover our passion for one of the world's most coveted noble grapes*

“We bet early on Chardonnay and Pinot Noir in the Okanagan and we launched the Stewart Family Reserve Chardonnay in 1993. I personally believe that the Okanagan Valley has really come to the forefront in terms of making excellent quality Chardonnay – this classification tasting solidified that.”

# QUAILS' GATE

Okanagan Valley

## Quails' Gate Chardonnay

Quails' Gate Winery takes great pride in our Chardonnay. As one of the original wineries in the Okanagan, our first Chardonnay clone was planted more than 30 years ago, and we have cultivated some of the oldest and most sought-after Chardonnay blocks in the region. Our Winemaking team consistently crafts a lineup of Chardonnay expressions that showcase the benefits of time and terroir.

### Estate Chardonnay

**Bright. Refreshing. Elegant.**

Our Chardonnay is whole-cluster pressed then fermented in a combination of stainless steel and neutral French oak. A small portion undergoes malolactic fermentation then it is aged on the lees for nine months before blending and bottling.

### Stewart Family Reserve Chardonnay

**Smooth. Refined. Integrated.**

Our flagship white wine, the Stewart Family Reserve Chardonnay is locally beloved and internationally renowned with a reputation for quality and consistency. Grown on the volcanic soils of Mount Boucherie, these premium Chardonnay grapes have been whole-cluster pressed and barrel fermented in a mixture of new and neutral French oak. Full malolactic fermentation and regular battonage was carried out to enhance the mid-palate. Aged in oak for 10 months.

Platinum | British Columbia Lieutenant Governor's Wine Awards

### Rosemary's Block Chardonnay

**Complex. Creamy. Rich.**

Rosemary's Block Chardonnay is named for and dedicated to our mother Rosemary and her role in creating our family's winery. Situated on the north side of Boucherie Road at the Quails' Gate Estate in West Kelowna, Rosemary's Block vines produce some of the best Chardonnay grapes in the Okanagan. This beautifully crafted white is graceful and refined with an impressive intensity at its core.
