2022 THREE WOLVES PINOT GRIS, OKANAGAN VALLEY

Three Wolves Vineyard is situated at the base of Mount Boucherie with eastern exposure, just around the corner from our estate. After several hours of morning sunshine, the mountain casts a shadow over the vines during the warmest parts of the day, extending the ripening process while preserving aromatic freshness. This charming 100% Pinot Gris showcases lifted aromas of Golden Delicious apple, ripe peach and Asian pear. The fruit-driven palate is round and rich with a mouth-watering acidity. Notes of orchard fruit and nectarine are followed by a long, crisp, enjoyable finish.

2021 DIJON CLONE PINOT NOIR, OKANAGAN VALLEY

Our Dijon Clone Pinot Noir is an exclusive selection of our 828, 777 and 667 plantings, dedicated to winery founder Benjamin Stewart who pioneered the introduction of numerous Burgundian clones in Canada. Hand harvested from 15-year-old vines planted in sandy loam, the product of these clones produces denser, flavourful wines that have the tannic balance to age longer than any of our other Pinot Noir.

2021 QUEUE, OKANAGAN VALLEY

Our Upper Boucherie bench vineyard is a southern exposure site featuring volcanic soils chock-full of mineral deposits. It is one of the few sites in the Kelowna area that ripens blocks of Cabernet Sauvignon, Syrah and Merlot. Queue not only captures the essence of these blocks, but it is also derived from the Latin word cōda which in music, is an arrangement that punctuates the end of a symphony. Queue - the winemaker's composition.

2022 LUCY'S BLOCK ROSÉ, OKANAGAN VALLEY

Named after our Grandmother, Lucy Mary Whitworth, this Rosé is a blend of Pinot Noir (73%) and Pinot Meunier (27%) grapes from our Westpoint Vineyard in South Kelowna. The 2022 vintage opens with aromas of wild strawberry, raspberry and cherry. On the palate, bright, fresh flavours of red berries lead to a long, lasting finish.
