

## PIQUETTE | 2022

OKANAGAN VALLEY

Our Piquette is an ideal companion for dining al fresco on warm days by the lake. Perfectly pairs with pizza, fish tacos or charcuterie. Serve chilled.

### TASTING

Expect flavours of raspberry, grapefruit and orange blossom. Perfect for enjoying under the Okanagan sun.

### WINEMAKING

Made from lightly pressed Riesling and Gamay Noir grapes that were rehydrated and macerated for 42 hours to extract flavour and colour. The juice was then separated from the skins and fermented into a fruity, low-alcohol, and bubbly beverage.
