## 2021 STEWART FAMILY RESERVE CHARDONNAY

Built on a legacy of quality and consistency, our Stewart Family Reserve wines are produced from some of the best and oldest vineyards in the Okanagan Valley. A gracious and welcoming legacy continues through this collection with benchmark expressions of Pinot Noir and Chardonnay.

### TASTING

Soft and supple. This sophisticated Chardonnay is elegant, full-bodied and rich with vivid aromas of ripe, Okanagan peaches. The palate showcases flavours of crème brûlée and vanilla bean while displaying an elegant buttery charm and a lengthy finish.

### WINEMAKING

Grown on the volcanic soils of Mount Boucherie, these premium Chardonnay grapes were hand-picked, whole-cluster pressed and aged for 10 months in a mixture of 27% new and 73% neutral French oak. Full malolactic fermentation and regular battonage was carried out to enhance the mid-palate and complexity.
