

DRY RIESLING | 2023

OKANAGAN VALLEY BC VQA

Quails' Gate Dry Riesling is a celebration of this versatile grape and our unique terroir. Our Riesling vines are now more than 30 years old. These established vines extend deep into our ancient soils, producing small clusters with characteristic minerality as well as greater intensity and complexity to the finished wine.

TASTING

The 2023 vintage opens with aromas of lemon, lime and peach. Bright citrus notes on the palate are complemented by balanced acidity throughout.

PAIRING

This Dry Riesling pairs perfectly with soft cheeses such as creamy Brie, Camembert or feta cheese, served with lightly pickled veggies. Also try with a Vietnamese Lemongrass Vermicelli bowl, Thai fish cakes or a tomato panzanella salad.

WINEMAKING

VARIETALS 100% Riesling

FARMING Certified sustainable vineyards, Sustainable Winegrowing British Columbia
