

## THREE WOLVES VINEYARD

2023 PINOT GRIS, OKANAGAN VALLEY BC VQA

Our Distinction Collection offers enthusiasts handcrafted, experimental wines that fine-tune combinations of varieties, clones, rootstocks and winemaking techniques. Like the pattern of a quail's egg of which no two are alike, each batch of wine is unique and bottled in small lots.

Three Wolves Vineyard is situated at the base of Mount Boucherie with eastern exposure, just around the corner from our estate. After several hours of morning sunshine, the mountain casts a shadow over the vines during the warmest parts of the day, extending the ripening process while preserving aromatic freshness.

WINEMAKING

Meticulously hand-harvested from the Three Wolves Vineyard in West Kelowna, the grapes for this small-lot Pinot Gris were gently whole-cluster pressed and the free-run juice was cold-settled overnight. Fermentation occurred at cool temperatures in a stainless-steel tank to enhance the wine's inherent fruit flavour and aromatics. To build additional texture and depth, the wine was aged in neutral oak barrels on the lees for 4 months before bottling.
