MERLOT | 2022

OKANAGAN VALLEY BC VQA

Merlot is the most planted red varietal in the Okanagan and typically produces smooth, full-bodied wines with red- and black-fruit flavours. The Merlot grapes for this wine were grown on our West Kelowna estate.

TASTING

The 2022 vintage opens with aromas of black cherry, plum, cocoa, dried herbs. On the palate, flavours of dark fruit and blackberry jam lead to a long, structured finish.

PAIRING

An ideal match for teppanyaki Wagyu or alongside creamy wild mushroom pork chops served at your next backyard barbecue.
