

CONTINUUM RIESLING

2024 RIESLING, OKANAGAN VALLEY BC VQA

Our Distinction Collection offers enthusiasts handcrafted, experimental wines that fine-tune combinations of varieties, clones, rootstocks and winemaking techniques. Like the pattern of a quail's egg of which no two are alike, each batch of wine is unique and bottled in small lots.

Crafted from the few grapes that survived the harsh 2024 winter, our Continuum Riesling tells a story of resilience and perseverance. Sourced from distinct vineyards protected by the warming influence of Okanagan Lake, this wine unites their expressions in harmony.
