

DIJON CLONE

2021 PINOT NOIR, OKANAGAN VALLEY BC

Our Distinction Collection offers enthusiasts handcrafted, experimental wines that fine-tune combinations of varieties, clones, rootstocks and winemaking techniques. Like the pattern of a quail's egg of which no two are alike, each batch of wine is unique and bottled in small lots.

Our Dijon Clone Pinot Noir is an exclusive selection of our 115 plantings, dedicated to winery founder Benjamin Stewart who pioneered the introduction of numerous Burgundian clones in Canada.

DIJON CLONE

WEST KELOWNA

PLANTED | 2003; 2000
20;23 YEARS OLD

SOIL | Silt Loam, Silty Clay Loam, Sandy Loam

● Clone 115

UPPER BOUCHERIE BENCH

WINEMAKING

This vintage was made entirely from clone 115 grown in West Kelowna. The fruit was hand-picked, destemmed, and left to sit on skins for 13 to 16 days before pressing. Once the fermentation was complete, the wine was aged in 28% new French oak and 72% neutral French oak for 15 months.

ALCOHOL: 13.5%
RESIDUAL SUGAR: 0.9 g/L

pH: 3.74
ACIDITY: 4.6 g/L

TASTING

Balanced and sophisticated, this vintage is crafted for the true Pinot Noir lover. Dark cherry lifts from the glass, accompanied by mushroom and other earthy aromatics – a characteristic of clone 115. The long finish builds up gradually with graceful persistence, supple tannins and bright acidity throughout.

PAIRING

This wine would be best enjoyed alongside game meats such as duck or lamb, King Cole blue cheese, roasted peaches or chocolate-covered cherries.

Made in limited quantities.
