

ROSÉ | 2025

OKANAGAN VALLEY BC VQA

Our Quails' Gate Rosé pairs perfectly with sunshine-filled days and memorable moments with your favourite people. Made in a versatile dry style, this classic, easy-drinking wine is fresh and fruit-forward, with enough balance and depth to intrigue a true connoisseur.

TASTING

Bright aromas of raspberry, cherry and watermelon lead to vibrant, fruit-forward flavours of red berries *and melon* followed by a refreshing, crisp finish.

PAIRING

Nothing pairs with Rosé like dining al fresco. Perfect for sharing on the patio, at a picnic or poolside, this wine reflects a hint of summer even when the weather keeps you inside. This wine would be best enjoyed alongside fresh, seasonal, high-quality ingredients prepared simply: pizza, Caprese salad or grilled albacore tuna.
